

# RAPHIA

### Collection Cantala

## Story behind the collection

This collection honours the pure beauty of natural materials like sisal, raffia and paper. The authentic, graceful look of these products is the key feature. The collection owes its name to the Agave cantala, an exotic plant of the Agave family. Sisal fibres are derived from its long, slender leaves which are often up to two metres long. We often see this sisal used in fashion and interior design.
