

# ALEPINE

Collection Metal X Patina

## Story behind the collection

Timeless luxury for sophisticated rebels: each design in the Metal X Patina collection has been printed on metal foil, to create an artistic, distressed plaster look on walls. The patterns were inspired by old painting techniques or crafts. We used advanced printing technology to combine a matte look with luminescent highlights to add vibrancy and a natural patina.

## Technical specifications

|                   |                                                                  |
|-------------------|------------------------------------------------------------------|
| Reference         | <u>60130</u> • Brass                                             |
| Product category  | Exquisite                                                        |
| Composition       | Metallic wallcovering on non-woven backing                       |
| Description       | A pattern of wide textile strips printed on metal foil           |
